Trick your eyes. Calm your mind.

48 original op art designs that seem to bulge, twist, spin and pop off the page as you color them.

- 48 single-sided designs (no bleed-through onto other art)
- Large 8.5 x 11 inch pages
- Bulging grids, spheres, tunnels, moire rings, tumbling blocks
- Bold, clean lines with closed shapes - great with pencils or markers
- A color test page to try your palette first

Alternate two colors in neighboring shapes and watch the illusion appear.
